) OF SUPERVISED RELEASE

An initial hearing on supervised release revocation in this case was scheduled before me on July 30, 2012. The United States was represented by AUSA Thomas Woods and the defendant by Cory Endo for Paula Deutsch. The proceedings were digitally recorded.

Defendant had been sentenced on or about by the Honorable Carolyn Dimmick on a charge of Second Degree Murder; Assault with Dangerous Weapon, and Use of a Firearm During an Assault, and sentenced to 228 months custody, five years supervised release.¹

The conditions of supervised release included the standard conditions plus the

01 requirements that defendant abstain from alcohol and submit to search.

02 On November 6, 2008, defendant's probation officer reported that defendant tested
03 positive for alcohol use. Defendant was reprimanded, testing frequency was increased, and he
04 was referred for professional assessment. No further action was taken at the time. (Dkt. 1.)

05 On March 10, 2009, defendant admitted violating the conditions of supervised release
06 by consuming alcohol on two occasions, failing to obtain a substance abuse evaluation, failing
07 to submit to alcohol testing, and committing the crime of disorderly conduct. (Dkt. 7. Defendant
08 was also ordered to reside in and satisfactorily participate in a residential reentry center
09 program for up to 180 days. (Dkt. 9.) On July 14, 2009, defendant admitted failing to
10 satisfactorily fulfill this condition. (Dkt. 17.) He was sentenced to 9 months imprisonment
11 followed by four years of supervised release, to include up to 180 days in a residential reentry
12 center. (Dkt. 21.) Upon the recommendation of the probation officer, this condition was
13 waived on April 5, 2010. (Dkt. 22.)

14 Defendant's probation reported on October 21, 2010, that defendant tested positive for
15 amphetamine and oxycodone. (Dkt. 23.) Defendant was reprimanded, testing frequency was
16 increased, and defendant was referred for counseling. No further action was taken at the time.
17 The probation officer reported on December 5, 2011 that defendant tested positive for
18 marijuana. (Dkt. 24.) He was reprimanded, testing was increased and he was referred for
19 counseling and professional assessment. No further action was taken at the time.

20 In an application dated (Dkt. 25, 26), U.S. Probation Officer Andrew J. Lorenzen alleged
21 the following violations of the conditions of supervised release:

22 1. Using a controlled substance (oxycontin) on or about July 23, and 25, 2012, in

01 violation of standard condition number 7.

02 2. Failure to follow the instructions of the probation officer on July 26, 2012, in
03 violation of standard condition number 3.

04 3. Failure to submit monthly supervision reports for May and June 2012, in
05 violation of standard condition number 2.

06 4. Failure to notify the probation officer at least 10 days prior to his change in
07 employment on or about July 8, 2012, in violation of standard condition number 6.

08 Defendant was advised in full as to those charges and as to his constitutional rights.

09 Defendant admitted the four violations and waived any evidentiary hearing as to
10 whether they occurred.

11 I therefore recommend the Court find defendant violated his supervised release as
12 alleged in violations 1-4, and the Court conduct a hearing limited to the issue of disposition.

13 The next hearing will be set before Judge Lasnik.

14 Pending a final determination by the Court, defendant has been detained.

15 DATED this 30th day of July, 2012.
